DETAILED ACTION

Response to Amendment

1. Applicant's Amendment filed on 8/12/2005 has been entered. No claims have been amended. Claims 1-86, 91-95 and 100-104 have been cancelled. No claims have been added. Claims 87-90, 96-99 and 105-108 are still pending in this application, wherein claims 87, 96 and 105 being independent.

Allowable Subject Matter

2. Claims 87-90, 96-99 and 105-108 (renumbered as 1-12, respectively) are allowed.

3. The following is an examiner's statement of reasons for allowance:

The invention as now claimed is not disclosed or rendered obvious in view of the prior art of record. As to claims 87, 96 and 105, the prior art of record fails to teach or suggest, alone or in combination, the recited system for performing a method of sending at least one end-to-end message for the call to the called party, said at least one end-to-end message being addressed in such a way that said at least one end-to-end message is not routed through at least one gate controller, wherein a setup message includes a destination address for the called party in a first address space and said at least one end-to-end message includes an address for the called party in a second address space in combination with the method of sending the setup message for the call to the called party through at least one gate controller, receiving a response to said setup message from the called party as set forth in the recited claims.

Art Unit: 2642

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
